

1,000 Books Before Kindergarten

Join the 1,000 Books Before Kindergarten challenge. The concept is simple, the rewards are priceless. Read a book (any book) to your newborn, infant, and/or toddler. The goal is to have read 1,000 books (yes, you can repeat books) before kindergarten.

This sounds hard but it really is very easy when you think about it.

- 1 book a night for 3 years = 1,095 books
- 3 books a day for 1 year = 1,095 books

Yes, you can read the same book repeatedly and it counts every time you do! (We know when we have a favorite book, we like to hear the story many times.)

Events for Young Readers

These special programs at our library are perfect for getting kiddos excited about books, reading and all things learning.

- Read and Play+ Playgroup = Friday mornings 9 a.m. – 10:30 a.m. The books read can count toward your goal.
- Stories & Activities = Saturday mornings 10 a.m.
- Other special events and programs as added.

How to Register: Register online using the Beanstack Tracker app or visit the Beanstack website. You can also register at the library. Please pick up your folder of paperwork and information at the library desk.

Track Your Reading: Each time you read a book with your child, log it on your online reading log (or paper log which will be provided if you register in person at a library.)

Show us Your Reading Logs: After each 100-book level, visit the library to pick up prize and your next paper log. The journey to 1000 is as fun as it is easy!
